

INTERVIEW

with Kayley Stallings & her Parents

The following is a recent interview with the EVER popular and super talented Kayley Stallings who is a proud Pro-Model & Talent Mgmt. Alum. Kayley and her parents now consider Hollywood home!! READ ON for the inside scoop on what she has been up to lately!

What is the best part of being an actress in Hollywood?

Kayley: Being in front of the camera! I also like pretending I'm different characters all of the time.

A few months ago you worked on the set of the movie "The Dog Who Saved Christmas Vacation", what was it like to work on a movie set?

Kayley: It was so much fun! I got to learn to snowboard and I loved working with the dogs and with such great actors. I worked with Dean Cain, Gary Valentine and Casper Van Dein. Dean Cain was super nice, he even sprayed me with snow; all of it was just fun.

Out of all of the jobs that you have done so far (Kayley has done national TV commercials, TV shows, musicals, and movies) which one is your all time favorite?

Kayley: I really enjoyed being Cindy Lou Who in the off Broadway production of The Grinch Who Stole Christmas. I liked that the best because I love dancing and singing as well as acting.

Anything you want to add to someone thinking of starting at Barbizon of Akron and Pro-Model & Talent Mgmt?

Kayley: If you want to model and act then follow your dream, I am following mine!

Kevin & Melissa Stallings are originally from Hebron, a very small town in Southern Ohio. We spoke with both of them as they went from a very small, rural town to one of the largest in the country.

How has life changed for both you and your family since Kayley attended IMTA with Pro-Model & Talent Mgmt?

Kevin & Melissa: Well, first we are no longer in Ohio, shortly after IMTA we decided to relocate to Los Angeles where we are currently living. Kayley is having a blast doing the whole Hollywood thing! She has recently been getting red carpet appearances which are fabulous and she was nominated for a young artist award. We love everything about living out here!!!

A few months ago Kayley was involved in a pretty big movie production in Colorado for the filming of the ABC Family Movie: "The Dog Who Saved Christmas Vacation", what was the best part as parents watching that movie being filmed?

Kevin & Melissa: It was a blast getting to go to Colorado, although we had forgotten what the cold weather felt like! On a serious note, the best part of being on-set was seeing Kayley do her thing, she loves this industry so much! We loved watching the scene they shot in her grandmothers house, it was too funny... you'll LOVE IT!

What does Kayley have to do to get ready for most auditions?

Kevin & Melissa: Usually she will have 3-10 pages of script to memorize; once she has that memorized then she works with a private acting coach to really get into the scene.

Do you feel that taking acting classes are important?

Kevin & Melissa: Yes, Kayley has to take them to be competitive.

Did Kayley ever work locally with Pro-Model & Talent Mgmt?

Kevin & Melissa: No, our goal was never to work locally, our goal was to use Barbizon of Akron and Pro-Model & Talent as a stepping stone to LA., and that is exactly what we did. Pro-Model & Talent had the connections in LA that we were looking for. Our goal was to be on the West Coast, Kayley wanted to be on TV and in the movies and that is exactly what she is doing! If we had stayed in Ohio we would have worked very closely with Pro-Model & Talent Mgmt.

Any final words you would like to add?

Kevin & Melissa: Go for it! We did and we are living what some people only dream of!

MODEL/TALENT TALK
The following are just a FEW highlights of a handful of auditions and bookings at Pro-Model and Talent.

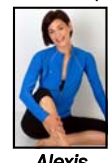

Every month Pro-Model and Talent books our models and talent for opportunities like runway shows, catalog shoots, and TV commercials, not to mention promotional events! Read on and learn all about the fun things our talent have been booked for!

For those of you who continue to stay on the look out for our very own Drew Tyler Bell here is an interesting tidbit for you... to date Drew has been on "The Bold & The Beautiful" for 7 years, playing the ever so popular, Thomas Forrester in over 400 episodes (that is a lot of on-camera time for any actor)! Now with Drew having won a Daytime Emmy for "Young Actor of the Year" for his performance as Thomas Forrester, the network will be increasing his storyline. So we will be seeing even more of our hometown boy who started right here at Barbizon of Akron and Pro-Model & Talent... pretty impressive for someone so young! Check out this great shot of Drew holding his well deserved Emmy!

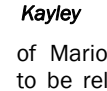

*Dan Jambor and Alexis Hura did a stellar job at a recent shoot for Sherwin Williams! Our two were hand selected by the client due to their great camera presence and of course all of their fabulous on-camera skills and techniques! We can't wait to see the results of their friendly faces on the advertising put forth by the company within the next several months! We are also hoping for more wonderful work to come our way since the client followed up with positively GLOWING reviews on how wonderful they both did while on set. YAY!

—SHERWIN-WILLIAMS.—

*Kayley Stallings is one very busy young lady! In addition to wrapping up the ABC Family Movie "The Dog Who Saved Christmas Vacation" starring Dean Cain and the voice of Mario Lopez, scheduled to be released this December, Kayley just **Mario Lopez** filmed a national Wal-Mart commercial! The next time you see a Wal-Mart commercial on that is talking about "little things" keep an eye open for our little **WAL*MART** Kayley Stallings!

Just a little insight on the industry for those of you that are not familiar with national commercials... actors/actresses love doing them as they get into this little thing called "residuals"!!! That is right "residuals"...the actor/actress does the work one time and he/she keeps getting paid over and over again!! The country is split into all different "zones", so each time the commercial airs in a "zone" he or she gets another check!!! This is all pretty cool, especially since Kayley at the young age of 10 has already done a number of national commercials including her very popular Daisy Sour Cream commercial.

Kayley loves to hear from people from Barbizon of Akron and Pro-Model and Talent Mgmt. on her official fan page on Facebook. So if you are a Facebook user just type in Kayley Stallings and look for her official fan page and you too can keep up with all the cool things she is doing out in Hollywood.

Recently we interviewed Kayley and her parents and we wanted to share with you some of what they had to say.

Check out the one and one interview with Kayley and her parents inside!!

Additionally, well-known director Michael Dinner has come on board to direct this thriller/family drama that is set against the backdrop of southern organized crime and Nashville royalty. Haley plays twenty-something Anna-bell Lee, a gorgeous country singer who is living in the shadow of her over protective Mom. To give you an example of what we mean by character appearances... Ashley was selected to dress up like Pablo from the popular cartoon airing on Nick Jr, the Backyardigans, while Tosha donned everyone's favorite Serta Sleep Sheep! In full costume Ashley made her appearance at the Riverbend Park in Findley, Ohio. Tosha made her way to a Sam's Club in Cincinnati where they both interacted with kids and adults and jumped in for some memorable photo ops for shoppers to take home and share with family and friends... Say CHEESE!!!

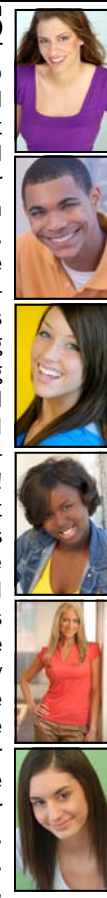

*Funky People is a cool, hip clothing catalog and web-based retailer who specializes in retro clothing. Nadya Page is a favorite of this company as she is the "perfect fit" for their clothes. Nadya is ultra professional so this has turned into a great regular assignment for her; it definitely pays to do a great job the first time around! Fit models have the best job, they get paid to try on all of a company's newest fashions before anyone else even sees them, that way they can make sure the size is perfect! Check out the website at funkypeople.com.

*For all of you women out there that love jewelry, the locally owned, Suarez Corporation, is working hand-in-hand with one of the largest direct-to-consumer jewelers in the world, Lindewold Fine Jewelers, right out of Canton, Ohio! Kristen Cutter was the beauty selected to feature the new "Goddess" line of jewelry, featuring pearls, and all kinds of unique beads, in various colors to die for! Kristen reports the jewelry is beautiful and that everyone was great to work with, and the same report came from the client about our own Kristen Cutter. The client stated that Kristen was professional and executed the job flawlessly!

*Barbizon of Akron graduate/Pro-Model & Talent Alumni, Daniel Lancy, had a pretty busy summer taking center stage in the popular musical "The Wedding Singer" at The Youngstown Playhouse Community Theater, where he portrayed the 80's rock legend, BILLY IDOL! Although "The Wedding Singer" has come to a wrap, Daniel continues to plug away, spending most of his nights rehearsing for the next show, "Chicago"! Keep a look out for this up and coming actor...we have a feeling we're going to be seeing A LOT more of this talented young man!
